

A quick note from Pasha and Natasha

What a blessing!

Sunday 31st October, 2010, was a very special day as Natasha and I renewed our wedding vows at Hollybush Church and we had a blessing led by Pastor Jim and Cynthia.

It was the happiest day of our lives and the blessing was just Wonderful. With everybody gathered and praying for us was so much appreciated and we are so thankful to God for guiding us in our walk with Him and for His faithfulness!
We give Him all the glory!

We would like to say thank you to the "Hollybush family of God" for your love, your encouragement, prayers and friendship shown to us since we joined the church.

Wishing you all God's blessings and our love,

Pasha and Natasha Grymalovskie

Jims Jottings (Or are they snowflakes)

Another year is dawning, Dear Saviour, Let it be.
In watching or in praying, another year for thee.

We are reminded of the past few weeks of weather, that man is certainly not in control of anything, least of all, the climate. We certainly hear nothing of 'Global Warming', at this present time. I remind you that the Christmas rush has indeed "Rushed By", with thanksgiving and refreshing for we who claim to be Christians, that our heavenly Father so loved us that He gave His only Son so that we may have constantly, the love, joy and peace that He alone can bestow.

So we look towards Easter and the glorious victory that the Lord Jesus Christ accomplished on the cross and through the empty grave. Redemption became complete.
Hallelujah. What a saviour!!

He's alive in Me and in You! If we let Him. So let us continue on our journey forward into 2011, with the whole armour on - victorious. Ofcourse, you may glimpse through this word of encouragement, and do nothing. It will be like a snowflake. A warm day comes and it disappears - but it did water the ground!!

Sincerely Jim Wilkinson.
