## China Trip

Peter and June Gregory write: God has opened the door for us to go again to Hong Kong and mainland China. We have heard the call again "Come over and help us".

Please pray for us as we fly on 3rd April returning on 9th May (DV). We shall be teaching underground pastors and their wives. We shall receive further instructions where to go to teach, encourage, deliver Bibles, take SGM literature, etc. once we are in Hong Kong. As far as we know now, we shall be travelling by train in China but venues often have to be changed at short notice. **Pray for** health, strength, wisdom, Holy Spirit anointing, guidance and Divine protection.

## Hollybush Newsletter Mar - Apr 2012

Spring has sprung ...

Greetings to all our members and friends one more time. I trust that you are well in body soul and spirit, and don't forget, even if our bodies are suffering, as we feed on His Word, our souls and spirits can, and do, remain STRONG.

There is a quaint saying in the countryside as the time of "Mad March Hares" when we occasionally observe these hares on their hind legs boxing, as they claim their territory. May we each be on the warpath for, and with, Our God - claiming more territory for His Kingdom. We used to sing "I went to the enemies camp and I took back what he stole from me." As you make your own personal assessment, check out to see if you have lost ground spiritually or, 'Praise the Lord' gained ground.

As we look to April and Easter, we ponder again on the death and resurrection of Our Lord Jesus Christ and wonder at our salvation and redemption. What a Saviour!! and Redeemer!!

In the glossy magazines, there is much ado about our natural bodies being "tanned and toned" to have the perfect shape, size and colour of this generation. Amidst all the April showers promised, let us personally take stock to observe if our "inner man" is being "tanned and toned" by prayer, reading the Word, and assembling ourselves together for worship and fellowship. Man looks on the outside, but God "scans" us on the inside. "Inner cleanliness" was the logo for a medication for cleansing our intestines - but Our Heavenly Father looks deeper still! A time for personal soul-searching.

## "Le Bus"

The outreach bus is now running well. Journeys to Thirsk Market Place are currently in place on Thursday (7.30pm until 10.30pm) and also Saturday evening (7.30pm until 11.30pm-ish). There is a need for more Drivers and Volunteers/Listeners - so, if you would like to be part of the answer with this, then please contact Louise (on 01347 838665) or Jill (on 01765 698587).

The more teams of four person we have, the more times the bus can go out. Please also pray that space will be available at the different local Shows, and if staffed, at the Race Course. It's the Gospel by all means!
