

Hollybush Newsletter September - October 2011

Beloved in the Lord,

We greet you in the wonderful name of our Lord Jesus Christ. The rioting and the looting of previous days has subsided, and hopefully will not be repeated, although sadly those kind of demonstrations will surface again, simply because the scriptures declare that we do reap what we sow. Psalm 1 is the precise answer because lots of people now use the name of Jesus as a curse - word instead of a blessing. They de-generate from one step to another until they are sat scoffing at their position, instead of walking forward in faith. We are all in danger of slowing down spiritually also, the battle against evil is constant. No, we wouldn't rob a bank but we can be possessive, selfish and thoughtless of others without realising that we are in that mode. It is good for a personal spiritual check up. For instance, am I eager and expectant to get to the next meeting or have my reasons to be absent increased? Daily readings gone A.W.O.L?? etc.

Anyway July and August have been good months for meetings, some excellent speakers giving challenging messages. Family camp meetings were also significant. Dr John Andrews really made the word live, as he reminded us of the fact that we all can be 'Storm Proof' easily. "Hear the instructions and do them". So simple, yet so profound. Different speakers spoke Monday to Friday evening. Many good things came to pass amongst the two groups 7-11's and 12-18's with signs following, and many young men and women had tearful encounters with the Lord. The 3 - 6's playtent was tremendous with nearly double the numbers this year with a fun-filled harmonious week.. Yet again all these teams were blest by the Lord. Our thanks to all our members and friends who contributed practically, time and labour, God Bless You.

We press on into these 'mellow' months. The natural harvest is almost over and already ploughing and sowing seed for next year's crops is evident. Even so, let's keep looking forward. Sowing and reaping for the kingdom.

Be blest.

Hollybush Worship

At camp meetings we did not have one person leading each meeting, as different members on the platform moved in as the Lord gave them a song upon their hearts and they just began to sing it. We will continue in the same way for a time.

Also for those who wish to partake in practises they are at 4.30pm fortnightly, whether you can sing or play an instrument.
