Have a rejoicing Christmas and a Wonderful New Year!

Greetings in the name of the Lord Jesus Christ. We are about to celebrate the birth of the most wonderful person ever born on earth - Son Of Man, Son of God who became and is our saviour and Kinsman Redeemer. Let us ponder a moment on what this means personally. As our personal friend, what a privileged to know Him, far better than our Queen or Prince Philip, and we don't have to go to London for a sighting or a conversation with Him, but He is with us all the time and also within us.

He died but rose again and lives in the power of an endless life, and so do we - hallelujah! So xmas is definitely not on our agenda, but CHRISTmas is.

We are the most privileged people on the earth.

The only real present we can give Him is our lives.

St John Chapter 3 v 16.

Be blest , Sincerely Jim and Cynthia.

PS.

Please can you set aside in your diary the first weekend of January 2012 to pray if you mean business with Jesus. Please meet all day Saturday 7th January 8am - 8pm. How much is He worth to you?!

“ Christmas is most truly Christmas when we celebrate it by giving the light of love to those who need it most.” Ruth Carter Stapleton.

Remembrance

As November the 11th approaches can we take time in our busy lives to remember all those men and women who have and are serving in the armed forces.

For those whose lives have been totally changed, physically emotionally and in all other ways, the families who now look on as they no longer see the person who 'joined up'. Please pray that God would break through into their lives and give them hope. Please pray for the lady who now has to care for and raise children on her own also for the ones who have to care for a husband as well.

Please pray for the men and women who return and say with guilt why did I return and leave my friends behind.

So please pray this 'remembrance day' for all who have given so much and for those who are prepared to pay the ultimate cost.

Thankyou.

The bus so far!

Hi Everyone.

Gill and I will start by giving thanks to God along with you all for the work He has started in so many people's hearts down in Thirsk. The most exciting part is that most of them are unaware of what God is doing but we have the privilege of watching our Lord at work. Thank you everyone for your prayers for this outreach because without a doubt none of what is being achieved would be happening without it. We have been under attack personally and the bus physically with an oil leak on the generator stopping us going out for a week. We are back out there now thanks to 2 gifted farmers with tractor maintenance skills. We have 2 teams going out now on Thursdays and Saturday nights. We come alongside to show Jesus' love in many ways from simply listening to being beaten at tennis on the Nintendo Wii on the top deck. Love to you all. Gill and Louise
