High Voltage Ministry is a ministry of grace and power. Our aspiration is to fulfil the Kingdom manifesto of Jesus with the Holy Spirit anointing that Jesus carried.

Luke 4:18-19

Barry is Scottish by birth and Irish by upbringing. After a wild life as a singer in a rock band in Dublin, God "arrested" him while living in Holland and totally radicalised his life for Jesus. He and his wife Linda now reside in Sheffield, England. They have been in ministry for over 40 years, serving in The Netherlands, India and the UK.

IF YOU GO TO CHURCH OR NOT... YOU ARE WELCOME!!
