

## A New Year With The Lord

A new year is about to unfold  
With new opportunities to explore  
Doors will open for new experiences,  
New adventures with the Lord

Remember not the former things,  
The things of this past year,  
The Lord will do new things in us,  
Much more than we are aware

For He will make a way for us  
As we put our trust in Him  
And He will guide our every step  
By His presence we have within

What God has placed within our hearts,  
We find we'll be able to do  
If we look for the opportunities,  
We'll see the door to go through

We mustn't let anything hold us back,  
But rise up and take our place  
And be all that God wants us to be  
With a fresh touch of His grace.

### Jim's Jottings

How did we get to this new year? By being exhorted over these recent Friday meetings of the future, which has now arrived. We heard from Nehemiah about 'rebuild' then Howard Morgan spoke on Legacy, plus a word from Paul Abel, specific regarding 'miracles', more than ever—now into action 2019. So no matter where we've been (50 years) no matter what we've done (or haven't) we press into the Lord's plans. He is the same, yesterday, today and forever. He knows the situations and what we need.

Together, family, your presence, prayers and unity are vital to our future personally and collectively. Do not be isolated, but insulated by the love and peace of God in Christ Jesus our wonderful Saviour. In the power of the Holy Spirit, God's plan to no retreat, but advance, keep your armour on, stand and advance the new territory with the Lord's help. His prophetic words shall come to pass—with miracles. If you expect—you WILL receive. "No good thing will he withhold from you".

Love Jim & Cynthia

**Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, Unto him be glory in the church by Christ Jesus throughout all ages, world without end. Amen. Ephesians 3 vs 20 & 21**

### 17th December 2018 - Joanna's jottings

#### "The Snowdrop"

2018 is nearly over, ...celebrations of the year gone by ... Highs and lows of a Jubilee year are but a distance glance, but I am just reminding you (us, a church) of what is to come ... **TRIUMPHANT AND GLORIOUS OUR SAVIOUR AND LORD REIGNS ... AMEN.**

The Christmas tree ends up recycled and in the bin, but I am on the look out for a beautiful fragile flower this spring ... May God grant us a purpose as we search from within ...His Holy sacred amazing truth that God will begin a work in us that we can not resist—Let us persist and pursue for 2019. Keep on, pressing on,

Yours in His service

Joanna

*Dainty little snowdrop peeping through the snow you are so beautiful and white how gracefully you grow. Dear, dainty little snowdrop so brave for one so small, you push your way through the hard, hard soil to give pleasure to us all. Beautiful little snowdrop you are a Harbinger of spring, we know full well when you are gone other flowers will begin. But for all the beauty of other flowers there are none that compare with you, dear little snowdrop so dainty and so fair. And so dear little snowdrop you beauty will always shine and give us mortals pleasure time after time.*

**Look out for the snowdrops this spring!**
